Agenda

1. Set the scheme of these two days
 - may be we should split in topic groups on 23th March
 - on 24th teachers present their conclusion of the topic groups and on Friday they should present their thoughts
 - the students would also work in topic groups and on Friday they would present their common, joint thoughts
 2. How can we have access to the information, work done so far
Publish and/or working process – in what surface?
Building a website?
 3. setting the date of the next conference: 1st week in October: 3rd October to 7th October 2017 Sweden Kristineham
 4. topics and involved counties:
 - immigration: Sweden, Spain, Italy, Netherland, Hungary (Denmark no longer?)
 - digital gap: Hungary, Denmark, Spain
 - motivation: Spain, Sweden
 - impact on the environment of the EU crises: Sweden, Denmark, Netherland?: would involve science teachers
 5. Creating presentation for motivation purposes for all schools (to motivate teacher colleagues)
 6. suggestion of Anna (D) survey could be made of the students involved on what they learn due to this intercultural work ; maybe a short film on the student' feedback: 1st part in Sweden and the second in Spain
-

Minutes 24th March 2017 Riety

1. How shall we communicate?
 - google drive
 - facebook
 - what's up for quick and short messages
2. Questions raised:
 - May be we should ask written feedback, report from the delegate students and the host students.
 - Exchange of experience and teaching materials?
 - develop subtopics: e.g. how do you treat waste in your country? Make them concerned to recycle
3. Suggestion: questionnaire on motivation and digital gap

Minutes of 22nd and 24th March 2017 Riety

Next conference would focus on **digital gap** (advantages and disadvantages e.g. cyber bullying), exchange teaching materials, civic behaviour: e.g. recycling; and motivation.

4. Date of next conference is decided and agreed upon. (3rd October to 7th October 2017
Kristineham
5. Suggestion for last conference in Salamanca: either in March or in April; week 12 is never good for Denmark, best may be mid April, Italy would prefer March
6. Evaluation by teachers of this conference:
 - a. Denmark would require an agenda beforehand the next conference, otherwise the conference could end up in a messy way: need for agenda both for students and teachers
 - b. Italy thinks they were responsible for organizing the conference and the background, not really for the agenda; everybody is very thankful for Italy for the organization
7. EYF forum should be set up till the beginning of May
 - a. it would be the task of the two chair persons to set up this chat room
 - b. the countries should send their EYF representatives to this forum
 - c. if a representative fails to fulfil his/her task in participating in the work of this EYF then the country should replace this member by another representative
8. Who would focus on what topics according to the teachers:
 - a. Italy: cyberbullying, immigration
 - b. Sweden: motivation, immigration
 - c. Spain:
 - d. The Netherlands:
 - e. Hungary: digital gap, immigration
 - f. Denmark:
