

Minutes Frederikshavn 28th-30th September 2022

Agenda:

1. Budapest mobility:

a. date: Monday 24th April: arrival,

25-27th April: conference,

Friday 28th April: departure

b. topic:

i. Anett's recommendation of a [podcast](#) about what influences us when accepting news as „true”; we might make the delegations listen to it prior the conference[1]

ii. continuing the fake news issues: Spain, Denmark and Sweden share their findings on the survey even before the mobility

iii. a tool kit might be put together in Budapest

iv. Sophia's suggestion is to move on to critical thinking

v. Ida's suggests watching a documentary and then answer questions on it from a critical point of view

Vi. we might also work with propaganda back in history

Vii. introductory session at the beginning about the school or /and about the topic, perhaps videos by the schools

2. Budget

- a. keep the receipts and send them to Ola
- b. as far as ecology and climate change are concerned we should try to use trains for the conferences or at least buy extra luggage tickets as donations for fight against climate crisis
- c. choosing the students for Budapest should be done by mid-March the latest

3. Salamanca mobility:

- a. topic: climate change and media, how this topic is represented in the media
- b. might even contact the Commission or EP to have a representative talk to the conference and enter into discussion
- c. Ida may know a climate change game, she can have a look at this
