MEKNES

FATIMA ZAROUAL

My name Fatima Ez Zahrae
Zaroual

I'm 13years old.

I have 2 brothers,
2sisters and I'm the middle

I was born in Meknes city, in Morocco, this is a big city. I lived there with my parents until 2010, when they came to live here, in Salamanca.

Since I was 3, my father took me to school every day. It's called "DRAOUI" (It's a private school and my parents had to pay for it)

My brothers and I arrived to Spain
in last July.

My dad went to Morocco to pick
us up.

When I arrived here, I didn't
know any Spanish.

MY FIRST DAY AT SCHOOL

- My father and my older sister(who speaks a bit Spanish) came with me to do the registration and introduce myself at school.

I started to study without speak any

After that I studied books and vocabulary works selected by my “Compensatoria” teacher.

First of all, I studied special computer programs (selected by special teachers “ALISO” teachers).

ALISO Educativos

**Now, I am studying 1º and
2º level “ESO”**

My “compensatoria” teacher oughts me to speak Spanish with the few words that I was learning helping for images and signs.

And she usually prohibited me
speak in arabic to my mates, I
always got angry with her but now,
I think she was right and so I learn
Spanish faster.

The most difficult for me

- Write in Spanish.
- Understand my mates when they speak fast.

**I wish to continue
learning Spanish
language to be able to
study.**
